One of the most powerful products available anywhere. Recon Extreme Duty Cleaner is super concentrated, high pH, extreme-duty cleaner/degreaser designed to remove grease, oil, fats, carbon, wax, tar and smoke film. This powerful product dissolves and emulsifies soil, allowing it to be wiped or rinse away completely. Recon Extreme Duty Cleaner is recommended for use when removing the worst deposits in fire, smoke and water damage restoration applications.

DIRECTIONS:

Dilute with water to concentration desired for effective cleaning and degreasing.

Extreme Duty Cleaning.....	1:8
Heavy Duty Cleaning.....	1:16
Medium Duty Cleaning.....	1:32
General Cleaning.....	1:64
Steam Cleaning.....	1:32

Apply with sprayer, sponge, mop, pressure washer, brush or steel wool, agitate as required. Rinse thoroughly with water. Allow to dry or wipe dry on smooth surfaces.

These directions are flexible rather than specific. In many cases a more dilute solution can be used, while for extreme conditions a less dilute solution may be used.

CAUTION

EYE IRRITANT. MAY CAUSE SKIN IRRITATION WITH PROLONGED CONTACT. Avoid contact with skin, eyes, and clothing. Avoid prolonged breathing of concentrated vapors. Avoid breathing of mists. Do not take internally. Harmful if swallowed. Keep out of the reach of children. For professional use only.

FIRST AID

EYE CONTACT: Flush with water for at least 15 minutes. If irritation persists, call a physician.
 SKIN CONTACT: Wash thoroughly with water. If irritation persists, call a physician.
 INGESTION: Immediately drink large quantities of water. Do not induce vomiting. Call Poison Control Center or physician immediately.
 INHALATION: Remove to fresh air. Seek medical attention if victim is not responsive.

Contains

Water (7732-18-5), Dipropylene Glycol Methyl Ether (34590-94-8), 2-butoxyethanol (111-76-2), Nonylphenol Ethoxylate (9016-45-9), Sodium Metasilicate Pentahydrate (6834-92-0), Sodium Xylene Sulfonate (1300-72-7), Tetrasodium EDTA (64-02-8), Potassium Hydroxide 1310-58-3, Dye N/A
