EXTREME DUTY ODOR COUNTERACTANT

3041-1

RECON Extreme Duty Odor Counteractant is a highly concentrated liquid odor counteractant formulated specifically for the treatment of surfaces after fire, water or smoke damage. This product chemically neutralizes the source of malodors and imparts a pleasant, long-lasting fragrance. RECON Extreme Duty Odor Counteractant removes odors caused by tobacco, smoke, urine, pets, garbage, fire-produced odors, and cooking odors. Ideal for use in institutions, hospitals, apartments, sanitariums, restaurants, factories, schools, hotels, kitchens, restrooms, latrines, septic systems, dumpsters, paper mills, recreational vehicles or anywhere odors are a problem. May also be used as a deodorant booster for carpet cleaners and general purpose cleaners.

DIRECTIONS

Use the following dilutions for maximum effectiveness. Be sure washable surface has been cleaned of any deposits or heavy film.
FOR HAND SPRAYING: Spray undiluted product with a fine mist into air, onto carpets, drapes or directly onto source of odor.
FOR DAMP MOPPING: Dilute 2 ounces per gallon into mop bucket cleaning solution and mop onto surface.
FOR LAUNDRY: Add 1-2 ounces of concentrate to rinse cycle or add with softener to dispenser.
FOR CARPET USE: Add 1-2 ounces of concentrate to each gallon of diluted shampoo solution.
FOR SMOKE AND GARBAGE ODORS: Spray all surfaces thoroughly with undiluted product.
FOR HOLDING TANKS: Add directly to holding tank. Use approximately 2 to 3 ounces for every 10 gallons of holding tank capacity.

These directions are flexible rather than specific. In many cases a more dilute solution can be used, while for extreme conditions a less dilute solution may be used. Always test sensitive substrates such as marble, tile, and painted surfaces in an inconspicuous area to determine if the solution will adversely affect the target material.

CAUTIONS

EYE IRRITANT. MAY CAUSE SKIN IRRITATION WITH PROLONGED CONTACT. Avoid contact with skin, eyes, and clothing. Avoid prolonged breathing of concentrated vapors. Avoid breathing of mists. Do not take internally. Harmful if swallowed. Keep out of the reach of children. For professional use only.

FIRST AID

EYE CONTACT: Flush with water for at least 15 minutes. If irritation persists, call a physician.
SKIN CONTACT: Wash thoroughly with water. If irritation persists, call a physician.
INGESTION: Immediately drink large quantities of water. Do not induce vomiting. Call Poison Control Center or physician immediately.
INHALATION: Remove to fresh air. Seek medical attention if victim is not responsive.

PRECAUTIONS

STORAGE: Store in a closed container. Store in a well-ventilated place.
CONTAINER DISPOSAL: Triple rinse container with water. Dispose of contents/container in accordance with all local, state, and federal regulations.
SPILL OR LEAKAGE PROCEDURES: Contain spill. Keep out of sewers & open bodies of water. Soak up spill in inert absorbent material. Place in leak-proof containers. Seal & label properly for disposal. Store in a dry place at temperatures between 40°F (4.5°C) and 90°F (32°C).

CONTAINS: Water (7732-18-5), Isopropyl Alcohol (67-63-0), Nonylphenol Ethoxylate (9016-45-9), Cationic Surfactant (68424-85-1), Propylene Glycol (57-55-6), Perfume Oil (N/A), Odor Counteractant (N/A)
