Settings Used for Best Results	Above

**Fiberlock recommends Titan Sprayers**  
For the best application of all Fiberlock Products

#### Notes and Comments:

- 531 tip, 45 wet mils, 3 passes
- Product exceeded my expectations no tip clogs and sprayed with smooth feathered edges with 527-531 tip
- Build up does occur on pick up tube but rinses very easily
- No issues spraying this product
- Mixing the product seems to help the flowability though
