IAQ 1000 is a hydrogen peroxide based mold stain remover. IAQ 1000 is pH-neutral, and contains an agent that will whiten and brighten stained surfaces, but does not contain sodium hypochlorite (bleach). IAQ 1000 is suitable for use on water damage restoration projects to remove stains from mold and mildew. IAQ 1000 is supplied in a ready-to-use formula that can be applied directly to the container.

For the cleaning and removal of mold stains, dirt and discolored particulate. No claim is made by this product to prevent, destroy, repel or mitigate any living organism.

APPLICATION PROCEDURES
IAQ 1000 is suitable for use on carpets, carpet cushion, sub floors, drywall, trim and frame lumber, tackless strip and paneling. Use proper ventilation. Test textiles & fabrics for color stability in an inconspicuous area prior to use. Always take care to avoid skin and eye contact by using protective measures such as nitrile rubber gloves (or equivalent) and safety glasses.

SPECIAL INSTRUCTIONS FOR CLEANING CARPET: For use on wet cleanable synthetic fibers. Do not mix with other cleaning products. Follow the cleaning procedures specified by the manufacturer of the cleaning equipment. After using the product, set the carpet pile and protect the carpet from furniture legs and bases while drying. Do not over-wet. If applied to stain resistant manufacturer of the cleaning equipment. After using the product, set the carpet pile and protect the carpet from furniture legs and bases while drying. Do not over-wet. If applied to stain resistant stain resistant. Mix 1 part IAQ 1000 with 1 part water. For rotary floor machines: Mix 1 part IAQ 1000 with 1 part water and apply at the rate of 500-1000 sq. ft. per gallon. Do not mix this product with other cleaning products. Follow the cleaning procedures specified by the manufacturer of the cleaning equipment. After using the product, set the carpet pile and protect the carpet from furniture legs and bases while drying.
