SOLUTIONS

FOR CHALLENGING PROJECTS.

For over 35 years, Fiberlock Technologies has been the leading manufacturer of products used to address environmental, safety and health hazards. Founded on the core beliefs that superior quality, definitive science and enduring service are the keys to corporate success, Fiberlock has grown to become one of the most respected names in the abatement and remediation industry.

From asbestos, lead or mold to disaster restoration and dust control, Fiberlock has the expertise, insight and product to help you get the job done quickly, effectively and economically. Whatever requirements you may have, turn to the leader. Turn to Fiberlock.

PROFESSIONAL PRODUCTS,
PROFESSIONAL RESULTS.

Founded over 20 years ago, Benefect is a world recognized leader in botanical antimicrobial technology in the restoration & remediation industry. Taking nature's way of killing germs with no compromise in strength; no risk to human health or our environment.

In nature, plants produce germ-killing 'essential oils' to protect themselves from invading microbes, like how our bodies produce antibodies for our protection. Benefect is a revolutionary blend of these antimicrobial extracts, from botanical essential oils, and achieves remarkable efficacy ...without using any traditional synthetic chemicals.

This groundbreaking botanical technology is proven to kill over 99.99% of bacteria & surpasses the U.S. Environmental Protection Agency and Health Canada's efficacy requirements for broad spectrum hospital disinfectants.

THE FIRST & ONLY CERTIFIED AUTHENTICALLY
BOTANICAL DISINFECTANT TECHNOLOGY.

CLEAN.

KILL.

ADVANCED PEROXIDE CLEANER

BLEACH-FREE STAIN REMOVER & CLEANER

This unmatched performance formula aggressively removes stains from mold and mildew* on porous, semi-porous, and non-porous materials.

- Dye and perfume free
- Deep penetrating stain-lifting action
- Provides maximum labor savings
- Not DOT regulated
- IDEAL FOR: mold remediation, sewage/water restoration

AVAILABLE SIZES:

	USA	CAN
1 Quart	8314-Q	
1 Gallon	8314-1	
2.5 Gallon	8314-2.5	
1 Quart (hydroboost)	8313-Q	

ATOMIC DEGREASER

BOTANICAL, HEAVY DUTY CLEANER

High performance cleaner/degreaser formulated to seek and remove particulate at the atomic level without using hazardous synthetic chemicals.

- All natural ingredients
- Biodegradable & safe
- No solvents, unnecessary fragrances, dyes, petrochemicals, phosphates, EDTA, NTA or other hazardous ingredients
- IDEAL FOR: oily/greasy residue jobs, fire/soot, biohazard & storm cleanup
(for surfaces & contents)

AVAILABLE SIZES:

	USA	CAN
1 Gallon	80475	
5 Gallon Pail	80275	
55 Gallon Drum	82075	

SPECIALIZED CLEANERS

Ask us about our specialized cleaners to meet all of your difficult jobs.

**No claim is made by this product to prevent, destroy, repel or mitigate any living organism.*

DECON 30 & BOTANICAL WIPES

HOSPITAL-GRADE DISINFECTANT AND CLEANER

One-step disinfectant/cleaner specifically formulated and ideal for water damage restoration jobs.

- Kills over 99.99% of bacteria in 30 seconds!
- Certified by the USDA as 100% biobased
- No synthetic fragrances, dyes or bleach
- No rinsing or wiping required
- IDEAL FOR: Water Damage (Cat 1-3), Catastrophic Storm Events & Mold, Commercial Cleaning, Carpet Sanitizing & Deodorizing, PPE & Equipment Decontamination & Contents Cleaning

AVAILABLE SIZES:

	USA	CAN
1 Gallon	20476	50476
5 Gallon	20276	N/A
55 Gallon Drum	22076	50275
2.75 Gallon	22776	N/A
4 oz. Pump Spray	21276	51276
Wipes (250 ct)	20376	50376

BOTANICAL DISINFECTANT

BOTANICAL CLEANING & DISINFECTION SOLUTION

This patented technology is proven to kill over 99.99% of bacteria on hard, non-porous surfaces, with broad spectrum efficacy.

- Certified by the USDA as 100% biobased
- No health warnings, no PPE required
- No rinse or wipe required
- Compliant with OSHA Bloodborne Pathogen Standard
- IDEAL FOR: Biohazard, Trauma Scene, Water Damage (Cat 1-3), Catastrophic Storm Events & Mold

AVAILABLE SIZES:

	USA	CAN
1 Gallon	20475	50475
5 Gallon Pail	20275	50275
55 Gallon Drum	22075	52075

SHOCKWAVE CONCENTRATE

EPA REGISTERED DISINFECTANT, SANITIZER & CLEANER

EPA-registered disinfectant, sanitizer & cleaner designed for use on various surfaces subject to microbial contamination, ideal for flooding and mold remediation.

- Effective in 98% soil load
- Over 130 organism kill claims
- Sanitizes porous & disinfects non-porous materials
- Also available in Ready-To-Use
- IDEAL FOR: Water Damage (Cat 1-3), Catastrophic Storm Events & Mold, Commercial Cleaning, Carpet Sanitizing & Deodorizing, PPE & Equipment Decontamination & Contents Cleaning

AVAILABLE SIZES: (US ONLY)

	USA
10 oz.	8311-10oz

55 Gal (RTU)	8316-55
275 Gal (RTU)	8316-55TP

MOLD RESISTANT COATING*
ULTRA LOW VOC MOLD RESISTANT COATING

This 100% acrylic coatings contain a fungistatic agent to resist mold growth on the dry coating surface. Available in white and clear.

- Mold resistant Coating*, tested ASTM G-21
- Spears & FBC system compatible: CPVC (Lubrizol, BlazeMaster, Corzon, FlowGuard)
- VOC compliant in 50 states
- Available in white (IAQ 6000) & Clear (IAQ 6100)

AVAILABLE SIZES:

5 Gallon (white) | 8360-5
5 Gallon (clear) | 8361-5

SMOKE ODOR SEALER
SEALANT & STAIN BLOCKER

These solvent-free sealers are designed to eliminate malodors on multiple surfaces and block tough staining.

RECON

- Great for porous materials such as fireproofing and insulation
- Meets NFPA 90a/90b for use in HVAC systems
- Thin coating (3 dry mils)/ high viscosity

AVAILABLE SIZES:

5 Gallon (white) | 3090-5
5 Gallon (clear) | 3091-5
1 Gallon (extreme duty) | 3041-1

ULTRA
RECON

- Used as a stain blocking primer
- Ideal for finished and decorative surfaces
- Spears & FBC system compatible: CPVC
- 10 dry mils

AVAILABLE SIZES:

1 Gal (ULTRA white) | 3092-1
5 Gal (ULTRA white) | 3092-5
1 Gal (ULTRA clear) | 3093-1
5 Gal (ULTRA clear) | 3093-5

AFTERSHOCK
FUNGICIDAL COATING

This 100% acrylic coating offers the ultimate combination of durability, application ease and fungal-resistance to address mold growth in nearly any situation.

- EPA registered fungicidal coating
- Kills and prevents mold and mildew
- 100% acrylic coating
- FBC system compatible

AVAILABLE SIZES: (US ONLY)

1 Gallon | 8390-1
5 Gallon | 8390-5

*Resistant to mold growth on the dry coating surface only

ABC
ASBESTOS BINDING COMPOUND

Hight solids asbestos encapsulant/sealant, designed to encapsulate friable asbestos containing material such as fireproofing and insulation material.

- Encapsulates fireproofing & soil
- Class A fire rated
- Exceeds EPA standards for encapsulation
- Non-flammable

AVAILABLE SIZES:

5 Gallon (white) | 6421-5
5 Gallon (green) | 6423-5
5 Gallon (clear) | 6422-5
8 oz. (spray/white) | 6410-8oz-C12

LBC - LEAD BARRIER COMPOUND
PROFESSIONAL LEAD ENCAPSULANT

Forms a barrier between lead based paint and the environment, serving as a permanent method for abatement of lead based paint.

- Forms a durable yet flexible seal
- UL Classified
- Class A fire rated
- For use in all 50 states

AVAILABLE SIZES:

1 Gallon (white) | 5801-1
5 Gallon (white) | 5801-5
5 Gallon (black) | 5802-5
5 Gallon (antique linen) | 5800-5
55 Gallon (white) | 5801-55

IAQ 8000
HVAC INSULATION SEALER

Trusted for use in duct work, to bridge and reinforce duct liner or duct board insulation materials, and to seal unlined duct work.

- High viscosity for maximum bridging ability
- Reduces sagging and dripping
- Meets NFPA 90A/90B
- Resists mold growth*

AVAILABLE SIZES:

5 Gal (white) | 8380-5
5 Gal (black) | 8385-5

*Resistant to mold growth on the dry coating surface only

SOLUTIONS FOR CHALLENGING PROJECTS.

Whether you are dealing with asbestos, lead, mold, fire/water damage, disaster restoration, trauma scene clean-up or dust control, Fiberlock & Benefect have the expertise, insight and products.
